(see back for more info)

* County office requires paper ID sheets for their own recordkeeping but these will not be accepted as a form of identification for State Fair or AkSarBen except for Dairy & Horse. Each exhibitor may nominate a total between 4-H and FFA, as follows: Market Beef (10), Market Lambs (20), Market Swine (40), and Market Goats (20). Animals are nominated by the dates on previous page.

** Entries must be in by the dates dictated by each individual show to be eligible for exhibition at these events. AKSARBEN is no longer a 4-H only livestock show and youth 9 to 19 as of Jan. 1 may ID and enter AKSARBEN under the rules & deadlines found at aksarbenstockshow.com

*** Any exhibitor with an animal that carries an EID tag must obtain a Premises ID in order to show. Any exhibitor without the proper Premises ID will not be allowed to show. Send your Premises ID number to sfellers1@unl.edu or include it on your ID sheet. It is required for online nomination.

Family Responsibilities:

❶ Calfhood vaccination tattoos (Bang's) are not acceptable identification. Please check heifer tattoos now to make sure they are legible.

❷ A 4-H'er may not take the Bucket Calf & Feeder Calf projects the same year. The eartag for bucket calves need only be recorded in the 4-H'ers record book by June 1. Bucket Calf 4-H'ers must be 5-12 years of age.

❸ All 4-H Sheep & Meat Goats will be identified by June 1 with no weighday planned. All sheep & goats must have scrapie tags.

❹ AK & SF Market Swine, Market Sheep & Market Goat Exhibitors and their parents will be responsible for collecting DNA samples and returning them to the Extension Office prior to the July 1 deadline. Kits are available at the Extension Office.

❺ Exhibitors showing market animals at State Fair or AKSARBEN must have a signed and sealed official DNA collector with hair samples for DNA verification turned into their county office by the apropriate deadline listed in the table. To be eligible to enter Aksarben or State Fair, animals must be nominated through the on-line process at showstockmgr.com. $7.00 per DNA market nomination. $2.00 per on-line nomination for all breeding animals.

❻ Exhibitors showing breeding beef, breeding sheep, feeder calves and breeding does at State Fair must nominate them online by the deadline. AKSARBEN does not require online nomination.

❼ ANY animal carrying an EID tag requires the exhibitor to obtain a Premises ID. Contact the local Extension Office for details.

❽ Exhibitors will select their animal show entries for State Fair from a dropdown menu in ShowWorks. All nominated animals will be automatically listed as a choice option for pre-entry registration.

❾ Complete State Fair livestock ID, nomination and entry information can be found at 4h.unl.edu/state-fair/live-animal-exhibitor

❿ Animals may be nominated as both market & breeding. Must be done so at time of nomination, but does not to be declared until entry time.

Online nomination is available at www.showstockmgr.com
