If you plan on entering these projects in the fair you will need to be enrolled in these project areas by **June 1**. You can enroll by logging into your family and youth profiles on the ne.4honline.com website. If you have any questions please call us at 402-372-6006.

Permission to Treat, Participate and Release of Claims

The Nebraska Extension staff and volunteers for 2019 Adventure Day Camp will do all within their power to ensure the safety of your child during the day camp activities. To help ensure a successful 4-H experience, it is vital that we know about our participants' unique needs or special concerns. Please list below anything that will better help us understand your child. List any activity restrictions, adaptations, special learning considerations or other relevant experiences on an attached sheet of paper.

Medications: All medications must be given to the Nebraska Extension staff at day camp in its original container with written directions for giving the medications to your child.

List medications your child will bring to day camp and take during the camp day.
