
2016 Washington County Program 4-H Archery Schedule

The Washington County 4-H Archery Program is currently underway. Listed below are the practice times available for youth ages 8-11 years old on January 1, 2016 who will be shooting at 10 yards and for youth ages 12-18 years old on January 1, 2016 who will be shooting at 20 yards. Currently, all practices are held at 6:30 p.m. at the Orion Archery Club located at Blair One Place, 1526 Washington Street in Blair.

To join the Washington County 4-H Archery Club, members must be enrolled in 4-H prior to their first practice. Enrollments will be done directly by families utilizing an on-line enrollment system @ <https://ne.4honline.com/>. Once an enrollment has been submitted, it will be electronically forwarded to the Nebraska Extension in Washington County Office email address. Office staff will then need to "Approve" (confirm) the enrollment to make it official. For step-by-step instructions, go to <http://goo.gl/7MyiKV>. In addition to 4-H enrollment, members are required to pay a \$12 fee to cover costs of equipment. Payment is to be made during the member's first practice.

Also listed below are the contests available to those enrolled in the Washington County 4-H Archery Club. In order to compete in the contests, new (to the Archery Club) 4-H members are required to have taken FOUR HOURS of practice and returning (in the Archery Club last year) 4-H members are required to have taken TWO HOURS of practice. 4-H club leaders will do their best to work with 4-H members who need more hours to compete.
