Pheasants Forever Opportunity
Each year, Pheasants Forever hosts a free mentored hunting experience for kids who have completed Hunter Education. Youth get to spend a day participating in some different outdoor activities, hunting pheasants, having a cook out, and spending time in the great outdoors! This year, there are a couple of locations within or near Adams County. If you’re interested, please contact the Extension Office or email Steve Landon at steve.landon@unl.edu. Also, if the youth haven’t completed Hunter Education and are still interested in attending, there’s a link to available Hunter Ed classes they might be able to take before the hunt. https://www.register-ed.com/programs/69

Christmas Greens Workshop
It’s time to start thinking Christmas, I love to decorate, how about you? This year we will be hosting a Christmas Greens Workshop on Saturday, November 19 at the Shooting Sports Building on the Adams County Fairgrounds. Doug Nienhueser and Julie Ochsner will be leading the workshop from 9:00 a.m. – 11:00 a.m.
Create a centerpiece, basket (you will need to bring your own) and swag. You can choose one or all 3 projects, the cost of the workshop is $10 for each item you choose to make. Limit to first 25 to sign up.
Call the Adams County Extension Office 402-461-7209 to reserve your spot.
The Great Cookie Exchange Workshop
Let’s get together and have a baking day. Julie is hosting a cookie baking day just in time to exchange cookies for Christmas. Join us on December 17 from 9:00 am until noon, at the Community Service Building on the Adams County Fairgrounds to get your Christmas baking done. The cost of the workshop is $15.00. You must pre-register before December 1 for your spot in the Great Cookie Exchange.

Environmental Ed & Earth Science

Agronomy Projects
As crop harvest approaches, it is a good time to consider creating an agronomy exhibit that you may show at next year’s fair. These projects provide an excellent opportunity to learn the requirements in producing a crop. If you or someone in your family raised a field crop, simply sit down and create a two-page report about the procedures required to grow the crop. Then fill a gallon container of the grain or select ten grain ears, (corn or milo), for display and you are done. Stop by or call the Adams County Extension Office if you would like more information on these projects.

Largest Ear of Corn Contest
We plan to continue this contest, with sponsorship of a cash prize to the winners. Now is a good time to start to think about next year’s project. If a 4-H’er grew a corn crop or helped a member of their immediate family grow a corn crop this year, then you can exhibit a collection of ten corn ears at the 2017 Adams County Fair. The contest will have two classes, one for yellow corn and one for white corn. Call the Extension Office if you would like more information about this contest and project.

Livestock

Beef Weigh Day
Again this year the 4-H council has decided to offer two weigh days for Beef, so be sure to Mark your Calendars! Beef Weigh Days are scheduled for December 3rd and March 4th at the Animal Clinic, both days weigh in will be from 11:00 a.m. until 12:00 p.m. If you are in line at Noon, your animals will be weighed. Exhibitors planning on showing Market Beef at fair will need to weigh their beef during one of these weigh dates. Animals include:

- Market Steers
- Market Heifers
- 2nd Year Bucket Calves (Steers & Heifers)
- Beef Carcass Contest possibilities

If you plan on showing a heifer that you are questioning whether to show it as a market heifer or a breeding heifer please be sure to weigh her in as a market animal, you may change it to a breeding heifer later by using the proper tag or tattoo prior to Livestock Identification Day (June 1, 2017).

- Also remember these are the only times that DNA will be taken for State Fair and AKSARBEN. The cost of this is $6.00 each. EID tags required for State Fair and AKSARBEN also, cost is TBA.
- The cost of each County ear tag is $1.00
- Please do not make arrangements for any vet work to be done on your animals during this time.

With the two weigh days your animals will be eligible for rate of gain and/or carcass, the animals starting weigh date will simply be counted from the day weighed in.
**Animal Science Educational Series**

It’s time to start again! The Animal Science Series is open to any 4-H youth who have an interests in beef, goats, pigs, poultry and sheep. You do not have to show an animal to be a part of the series. Youth have the option of participating in Premier Animal Science Events (PASE) on June 26 and 27 in Lincoln, Nebraska. For more information or future dates, please email Steve Landon at steve.landon@unl.edu or contact the Extension Office.

**Nebraska 4-H Cat Club**

The University of Nebraska-Lincoln Department of Animal Science is hosting a monthly 4-H Cat Club for companion animals every second Thursday of the month at 6:00 p.m. Each lesson has a short presentation and worksheet with activities that youth can do in small groups. These topics will help youth to prepare cats for showmanship at a county fair cat show. For more information, visit the cat club website at [http://animalscience.unl.edu/4-h-cat-club](http://animalscience.unl.edu/4-h-cat-club) or contact Lisa Karr at 402-472-6458, or by emailing her at lisa.karr@unl.edu. Each presentation can be arrange to be held at the Extension Office.

**Red Letter Days @ University of Nebraska**

High School students interested in exploring all the opportunities the University of Nebraska-Lincoln has to offer. An open house called the “Red Letter Day” is an event where students and parents can explore city and east campuses, meet with current students and professors within the field of study you’re interested in majoring. Learn about ways to get involved on and off campus and comprehend important admissions, scholarship and financial aid information.

If you’re interested in attending the following dates, please contact: Liz Adams, Special Events Assistant Coordinator: [lizadams@experience.unl.edu](mailto:lizadams@experience.unl.edu)

*Red Letter Dates:*
- October 21
- November 4, 18

**College of Agricultural Sciences and Natural Resources** is hosting our annual Experience the Power of Red Visit Day on Saturday, November 5.

During this event, students will learn how CASNR prepares students for careers in everything from animals to plants, soil to climate, golf to business, mechanization to leadership and food to forensic science. Guests will meet faculty, staff and current students to get the scoop on what life at UNL is really like. Explore campus in person and get a true sense of the UNL CASNR experience.

For more information contact us at (800) 742-8800, ext. 2541 or [spegg2@unl.edu](mailto:spegg2@unl.edu).

There is no charge to attend this event. More information is available at: [http://casnr.unl.edu/visitday](http://casnr.unl.edu/visitday)

Please register by October 28 at [http://go.unl.edu/novembervisitday](http://go.unl.edu/novembervisitday)

**Nebraska College of Technical Agriculture**

High School students who may want to pursue a degree at a smaller atmosphere, may want to check out Nebraska College of Technical Agriculture (NCTA) in Curtis, Nebraska. Students will learn hands-on experiences through different departments within Agriculture. They also have transfer classes that can transition to UNL, UNK and UNO for students to further their education into a bachelor’s degree. For more information about NCTA, please go to the following link: [http://ncta.unl.edu/contact-us](http://ncta.unl.edu/contact-us)
