**EID = ELECTRONIC IDENTIFICATION TAG**  
**BNC = BREEDING NOMINATION CARD**

**ID Sheets are for County Records & Verification Only**

## Family Responsibilities

- Exhibitors showing market animals at State Fair and/or AKSARBEN must have a signed and sealed official DNA collector with hair samples for DNA verification turned into their county office by the appropriate deadline listed in the table.
- Exhibitors showing breeding beef, goats and sheep at State Fair will be nominated with a breeding nomination card. The breeding nomination cards will contain all information necessary for State Fair eligibility. Families will need to have completed nomination cards turned in to their county office by June 1. **Breeding Nomination Cards will be \$2 / animal.**
- Exhibitors will select which animal entries they have chosen to show at State in a dropdown menu in ShoWorks. All nominated animals will be automatically listed as a choice option for pre-entry registration. If animals are not listed, they will not be able to exhibit at State Fair. **If an animal is entered to be shown in FFA at State Fair, it is no longer eligible for AKSARBEN.**
- 4-H and FFA youth participants will declare which youth organization they will show at State Fair their animal projects by August 10 in ShoWorks.
