4-H Council

4-H Council

The 4-H Council is a group of 9 adults and 9 youth (14 years 4-H age and older) which provide support to the Extension staff, assist in determining the direction of the 4-H program, provide support and assistance to 4-H volunteers, and support 4-H members in the program.

Strong councils provides local input to the 4-H program. 4-H councils help provide additional funds to support 4-H programs through scholarships to 4-Hers for events and college, for leader forums, and for awards offered at county events. Additionally, 4-H councils help fund buildings on fairgrounds, staff hires, and other expenditures. Providing direction to 4-H programs strengthens the entire state 4-H system. Having a strong relationship is critical to a strong 4-H Youth Development Program.

It's an honor to serve on the 4-H Council. **If you are interested in running, simply contact the Extension Office. Several positions are open for 2017:**

- ⇒ Three adult positions are available
- ⇒ Nine youth positions are available.
- ⇒ Adults serve three year terms; youth (14 and older) serve one year.

Contact the Extension office if you are interested. Voting will take place on-line before the Achievement Party. Watch in the 4-H Friday News Blast about how/when to vote.

The fair is done and now it's time to be recognized and take credit for all you have accomplished and learned during the year. Recording your work and experiences on the year-end reports is a great life-time skill to acquire and practice.
