GUIDELINES FOR ADULTS WORKING WITH YOUTH

"Winning isn't everything...but striving to win is."

- Permit youth to determine their own involvement in competition.
- Provide a variety of competitive choices.
- Help youth develop an attitude that they are responsible for their actions.
- Take a positive approach - praise youth for participation.
- Focus on developing skills and abilities - NOT on final scores or placings.
- Make expectations realistic.
- Play with, participate, support, and assist youth.
- Be a positive role model.
- Discuss what is learned.

In 4-H competition, participation for the love of the activity is more important than winning.

4-H STANDARDS FOR CLUB STRUCTURE

The following are the standards for a Nebraska 4-H Club. Your 4-H club will want to make sure you meet all of these criteria for the 2017 4-H year.

4-H clubs are to be structured as follows:

- Enrolls at least 5 youth members from at least 3 families.
- Is advised by adult staff or volunteers who have been screened and trained in accordance with the Nebraska 4-H Policy and Procedure Handbook.
- Conduct a minimum of 6 regular club meetings (virtual or face-to-face) per year, with many holding 9-12 regular meetings throughout most or all of the year, and often supplemented by project meetings, camps, fairs, and other 4-H learning activities.
- Selects youth officers or youth leaders to provide leadership to the club.
- Meets in any location - a home, community center, military installation, library, public housing site, school, afterschool program, and/or many other places.
- Helps youth and parents/guardians adapt in cases of mobility - linking them to 4-H programs in other counties and states.
- Meets interests and needs of youth in same-age or cross-age groupings and using single project or multiple project formats.

4-H clubs must conform to this structure for the 2017 4-H year. If you have questions regarding how your 4-H club can conform to this new structure, please feel free to contact Colleen at the Extension Office.

Happy Thanksgiving!
