Nebraska
Lincoln

EXTENSION

Know how. Know **now.**

A digital workshop on land management, relations, and flexible cash leasing

This program is available through DVD Purchase!

The cost of the DVD is \$15 each and includes the presentation booklet plus shipping and handling

The objective of this program is to provide practical information and strategies to help Nebraska land owners, managers, and farm operators understand the most recent trends in agricultural land values, rental rates, family relations, contracts, and flexible cash lease provision use.

Includes 3 hours of instructional video from leading experts in the field.

Topics we will cover:

- Trends in land marketing, land values, and cash rental rates
- Managing family and tenant/landlord relations
- Considerations for written leases and other agricultural asset rents
- Flexible cash lease basics and how to integrate them into existing contracts
- Examples of figuring flex lease contracts and popular methods in Nebraska

Meeting presenters include:

- ***Tim Lemmons - Ext. Educator***
- ***Al Vyhnalek - Ext. Educator***
