EARLY CHILDHOOD CONFERENCE

SPONSORED BY NE EXTENSION IN DODGE COUNTY AND
PLATTE VALLEY EARLY LEARNING CONNECTION

CARRIE GOTTSCHALK

As a licensed mental health practitioner and certified professional counselor, Carrie has a private practice counseling clients with behavioral issues and emotional disturbances. In addition, she has served as a family consultant, family teacher and behavior interventionist for Boystown and therapist with CEDARS Youth Services. She was also as a Psychology and Sociology instructor at Peru State College.

Reduce Challenging Behavior and Improve Social Skills by Teaching Young Children Problem Solving Skills:

This hands-on, make-and-take workshop provides child care providers and teachers with tools and strategies to use when teaching problem solving skills to preschoolers. Participants leave the workshop with solution kits, classroom posters, visuals and other similar materials.
