

Steve Tonn, MS

Extension Educator – Beef Systems

BQA Trainer

Nebraska Extension in Washington County

597 Grant Street Suite 200

Blair, NE 68008-2550

Office: 402-426-9455

stonn2@unl.edu

Assigned Counties

- Dodge, Cass, Butler, Gage, Lancaster, Nemaha, Saunders, Douglas, Sarpy, Otoe, Seward, Saline, Johnson, Pawnee, Richardson, Washington, Jefferson

Highlighted activities from my extension programming

- Cow Calf e-newsletter
- Regional Mid Plains Beef Workshops
- County Profit Tips Meetings
- Phone and email Consultation

Helping you find local answers to...

- BQA practices
- Grazing corn stalks
- Cow herd nutrition
- Cow herd management
- Low stress cattle handling
- Improving cow herd reproductive efficiency

What is the purpose of my job?

1. Improve profitability and sustainability of local beef cattle systems
2. Reduce environmental risk and improve resource stewardship
3. Enhance synergy of cropping systems and cow calf systems
4. Connect local cow calf producers to Nebraska Extension beef systems resources

Helping Nebraskans enhance their lives through research-based education
