

EASTERN NEBRASKA
RESEARCH AND EXTENSION CENTER

OPEN HOUSE

**Thursday,
June 29**

10:00 a.m. - 3:00 p.m.

Complimentary lunch served

RSVP by June 23

We invite you to come see how the University of Nebraska–Lincoln and the Eastern Nebraska Research and Extension Center are making a difference. There will be opportunities to interact with senators in attendance, university faculty, commodity groups, and others attending the open house. Discover opportunities for partnerships and collaboration!

**Don Adams, ENREC
Research and Extension Director**

The **University of Nebraska Eastern Nebraska Research and Extension Center (ENREC)** is headquartered at the former Agricultural Research and Development Center near Mead, Nebraska. Morning program and lunch are at the August N. Christenson Building at: 1071 County Road G, Ithaca, NE.

Transportation will be provided for the afternoon tours held at several sites located throughout the center. Questions, contact us at: enrec@unl.edu or (402)624-8037. Map and directions on back of flyer.

INNOVATIVE RESEARCH AND EXTENSION PROGRAMS

Learn about what we do and why it matters.

The event kicks off with a meet and greet time followed by a welcome from Senator Bruce Bostelman, presentations by IANR Vice Chancellor Mike Boehm and Climatologist Al Dutcher, lunch, and tours. Join us for all or part of the day!

Come see how ENREC is making a difference. The event is for both rural and urban audiences – see firsthand what we are doing at ENREC and why it matters. Learn about the latest research, technology, and education involved in bringing safe, nutritious food to the table while protecting the environment.

Here are a few quick details about the event:

- 10:00 - Meet and Greet - Visit commodity group booths
- 10:50 - Welcome by Senator Bruce Bostelman
- 11:00 - Mike Boehm, Harlan Vice Chancellor of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln, will present “Driving Nebraska’s Economic Vitality”
- 11:30 - Nebraska Extension Agricultural Climatologist Al Dutcher will present “The Ag Climate - Temperatures, Trends, & Outlooks”
- 12:00 - Complimentary lunch and Dairy Store ice cream served **(Please RSVP by June 23)**
- A virtual tour of the swine research and facilities will be shown following lunch
- 1:00 - Afternoon tours - Transportation will be provided
- Tour stops include live demonstration of drones, hail machine, the latest technology to study individual plants (phenotyping) in the field. Guests will also learn about Carbon Farming (e.g. carbon sequestration), the latest in beef cow research and teaching and the crop management demonstration / education plots

**Help us plan for lunch & tour transportation -
RSVP no later than Friday, June 23 at 5 p.m.**

**Registration and detailed information at:
<http://enrec.unl.edu>.**
