### **Sorghum Field Day – Trenton – Sep. 6**

Sorghum farmers are invited to attend the 2017 Sorghum Field Days at three locations during September. Field performance of commercial hybrids, on-farm field studies, market updates, sorghum agronomics and checkoff activities are planned.

The field stops include plot tours with management information and field studies based on the plot cooperator. Sorghum seed representatives will also be available to share hybrid information. A meal and program follows the field tours.

Program highlights will include: sorghum agronomy update by Rick Kochenower, National Sales Agronomist for Sorghum Partners and checkoff update by the Sorghum Board. Ag West Commodities will also provide a market outlook at the Trenton location. Support companies include Arrow Seed, Channel Seed, DeKalb, Dyna-Gro, Fontanelle, Hoegemeyer, NuTech Seed, Pioneer, Sorghum Partners; Nebraska Grain Sorghum Board and Nebraska Grain Sorghum Producers Association.

Plot locations are as follows: **Wednesday September 6, 5:00 PM – Trenton** – Mike Baker Farm, Irrigated and Dryland Plots: *(2.6 miles north of Trenton to Rd 717; go west 4.3 miles. From Palisade: South 6.7 miles, east 2.5 miles.)*

**Thursday, September 7, 5:30 PM – Lawrence** – John Dolnicek Farm, Dryland Plot: *(From Lawrence, 1 mile East on Highway 4; turn North on Road 2700 – go 1 mile to Road “X”; turn East – go ½ mile).*

**Friday, September 8, 11:00 AM – Farwell** – John Dvoracek Farm, Dryland Plot: *(Off of Highway 92 at west edge of Farwell, go 2 miles North on Salem, 1 mile West on 15<sup>th</sup> Avenue, and 1½ Miles North on Tilden. Continue NW on Tilden going into the canyon (winding road will become 17<sup>th</sup> Avenue). Take 17<sup>th</sup> to Union, turn right on Union and go ¼ mile.)*
