Barf Bucket Training For Child Care Facilities

It is important to **clean up bodily fluids safely** to avoid spreading illnesses, especially in child care settings.

This training is designed to teach all child care staff on the importance of the proper way to clean up bodily fluids to avoid spreading illness.

Cost: \$10.00 per person

Classes are preapproved by NDE for DHHS in-service hours.
Funding in part through the Nebraska Department of Education CACFP Program.

Training designed for all child care staff on the importance of the proper way to clean up bodily fluids to avoid spreading illness.

Why Attend?

After completing this training, participants will be able to:

- Identify components in the Barf Bucket and their purpose
- Describe proper body fluid cleanup procedures
- Explain steps necessary to reopen the contaminated area
- Train other child care personnel how to use the Barf Bucket

What you will receive

- One Barf Bucket per center or program that receives CACFP funding (*Bring approval letter from Nebraska Department of Education to training.*)
- Barf Bucket Supplies
- 2 hours CEU's (*Nebraska Core Competency Area: Health, Safety and Nutrition*)
