Boyd County 4-H

Dear Interested Family,

Boyd County 4-H is a youth development program coordinated through the University of Nebraska–Lincoln Extension in Boyd County. The 4-H program is for boys and girls who are ages 8 to 18 prior to January 1 of the current year with the Clover Kids program offered for youth ages 5-7 also prior to January 1.

In 4-H, youth learn new project skills like taking photographs, preparing a snack, caring for pets, building model rockets, growing flowers and vegetables, fishing and sewing clothes. 4-H has more than 150 learn-by-doing projects.

4-H projects are challenging, but practical with fun ways to learn. Life skills such as: problem solving, decision making, time management and teamwork can be learned through 4-H projects, activities and community service projects.

As a Boyd County 4-H Member, you will enjoy plenty of fun activities. Special events like the Public Speaking Contest, Jamboree, Workshops and the Boyd County 4-H Fair are fun for your whole family.

We hope you and your family will join in the fun with Boyd County 4-H. For more information contact any 4-H staff member by email or call 402-336-2760.

February 16, is a Meet and Greet time at the Boyd County Courthouse in Butte from 7-8 pm with Debra to find out more about 4-H.
