PARTYLINE

OCTOBER 2019

Greetings to All!

Welcome Fall. BRRR—a little chilly this morning. Praying for a great October and a safe harvest.

A little food for thought—

When I woke up this morning I asked myself, “What is life about?”

I found the answers in my room...

The fan said, “Be cool.”

The ceiling said, “Aim high.”

The window said, “See the World.”

The clock said, “Every minute is precious.”

The mirror said, “Reflect before you act.”

The calendar said, “Be up to date.”

The door said, “Push hard for your goals.”

The floor said, “Kneel down and pray and be thankful for what you have.”

LESSON INFORMATION (All lessons given at the Extension Office.)

UNCOMMON KNOWLEDGE—Tuesday, November 5th, at 2:00 p.m.

You may have seen one of the newer game shows on TV called Common Knowledge. Well, this lesson will be UN-Common Knowledge. You will be learning all sorts of household tips using vinegar, peroxide, baking soda, and maybe a few other surprises. This will be somewhat of a “gameshow format” to see which presenter can come up with the most “ingenious” uses of their “product!”

The lesson will be given for all club members to attend, or you may send one or two from your club to get the information and present it to your club at a later date. PLEASE have someone from your club call or text me (402-239-1574) prior to the lesson so we know how many to prepare for!!
