

# Dixon County

## 2020 Impact At-A-Glance

Brought to you by Nebraska Extension

Dixon.unl.edu

The mission of the 4-H Ambassador program is to empower teen 4-H leaders with the knowledge and skills to be advocates for Nebraska 4-H & Youth Development across the state and nation.

As 4-H Ambassadors in Dixon County, Brandon and Keiziah demonstrate their skills gained through the 4-H program by exhibiting a passion for learning new information through their 4-H projects and sharing their knowledge with others by teaching at local workshops, camps, and virtual experiences. They have gained self-confidence as teen leaders through officer positions at the local and county levels of the 4-H program.

“Throughout my time in 4-H and as an ambassador, I have learned how to become a skilled leader. These skills have helped me choose my career in the military,” Brandon stated.

### Programs At-A-Glance

- Through Learning Child programming in Dixon County, early childhood providers can explore ways to improve the quality of education and care for young children.
- By utilizing Crops and Water expertise, local producers have the opportunity to discover and apply cutting-edge research to improve their agricultural practices and save money,
