## **Presentation Contest**

### **4-H Illustrated Presentations Contest**

#### **Scoresheet SF65**

Pay Code 170

All entries must be pre-entered on the General Entry Form by the first Friday of July at the Extension Office. Entries must receive a Purple ribbon at county fair and be selected to advance to State Fair.

An Illustrated Presentation, given by one (1) individual or a team of two (2) individuals, is a live presentation with a formal talk where youth will use visual aids (such as props, posters, computer-based visuals, handouts, video, etc.) to show and tell others how to do something. Presentations are given on a stage. Judge views the entire presentation and engages in a question and answer session following presentation.

**Participant Requirements:**

- All participants must have received a purple rating at a County 4-H Presentations contest.
- Youth may only participate in one class within Division 151.
- Time limit is 6-8 minutes for a presentation given by an individual, and 8-10 minutes for a presentation given by a team. Participants may be penalized if their presentation exceeds the time limits.

**Presentation Topic:**

- All 4-H Presentations topics should be related to what the 4-H youth is learning through 4-H educational experience focused on the priorities of career and college readiness, community development, entrepreneurship, food supply confidence, healthy living, leadership development, and STEM (science, technology, engineering, math).
- 4-H Presentations should include an introduction (the “why” portion of the topic), a body (the “show and tell” portion of the topic), and a conclusion/summary (the “what” portion of the topic).

**Contest Information:**

- The contest dates and locations for all classes can be found in the 4-H Schedule at: <https://4h.unl.edu/state-fair>. The contest times will be made available online at <https://4h.unl.edu/fairbook/contests/>

presentations as soon as possible after Nebraska State Fair entries are due.

- The check-in area will contain a refrigerator and a temporary storage space for presentation supplies. Only presenters and contest officials will be permitted in the designated preparation areas; no relatives or friends, please. Presenters are expected to clean up the areas in which they work.
- Equipment provided includes two (2) tables, one (1) easel, PC Compatible Computer (including the following software: Apple QuickTime Player, Microsoft Windows Media Player, and Microsoft PowerPoint 2019) with Wi-Fi internet connectivity, projector or television screen, and hands-free microphone.
- Presenters using computer-based visuals may bring files on a USB drive that is PC formatted. Participants may also provide their own computer or other equipment as needed; however, participants must be able to connect their computer to a HDMI plug on the television.
- Live animals may be used in the presentation. All fair livestock health requirements must be followed. Presenters are responsible for all stalling arrangements, care and handling of animals. Animals can only remain in the presentation area while the owner is present.

### **B151113 - Illustrated Presentation**

#### **Clover Kid Show & Tell**

Pay Code 240

All entries must be pre-entered on the General Entry Form by the first Friday of July at the Extension Office.

The purpose of this contest is to give Clover Kids an opportunity to show and tell about an item they have made during the current year. The

participant will bring the item and give a 1 - 3 minute talk.

## **B151901 - Clover Kid Show & Tell**

### **Culinary Challenge Contest**

Pay Code 170

All entries must be pre-entered on the General Entry Form by the first Friday of July at the Extension Office.

The 4-H Culinary Challenge Contest will require youth to demonstrate healthy decision making through nutrition, food preparation, menu planning, and food safety; utilizing a foods and nutrition curriculum. They will apply healthy living knowledge and skills by planning a nutritious menu, demonstrating their understanding of time management skills in the kitchen, and expressing their originality and creativity through an appropriate themed and properly set table. To showcase these skills, youth will create a menu, prepare one food item, and choose an appropriate theme for their occasion while expressing their food, nutrition, and food safety knowledge during a live interview with a judge at the contest. In order to highlight knowledge and skills acquired during pre-contest preparation, youth will utilize technology as part of their interview.

#### **Rules**

#### **Challenge Ingredient/Item**

1. A challenge ingredient will be selected each year, highlighting a Nebraska commodity food product. **The 2022 challenge ingredient is wheat.** Please keep food safety in mind when selecting the recipe used for the Challenge. Foods must be able to be kept chilled during transport to the contest, then be able to be re-heated in a slow cooker or microwave. Each team must incorporate the challenge ingredient into their food item they will be presenting during the contest. This may require altering a recipe or creatively incorporating an item into their overall table theme. The

challenge ingredient must also be included in the interview presentation, demonstrating youth knowledge of the ingredient, such as nutritional value, a farm-to-fork concept, or how to adapt a recipe to include the ingredient.

### **Judges Interview**

1. The individual or team should view themselves as the hosts, welcoming the judge, cooperatively presenting the table to the judge, incorporating multi-media resources, and answering any questions from the judge. Individual or teams must be prepared to present to the judge utilizing technology, such as PowerPoint, picture story, or other multi-media resource. Presentations may include photos, clip art, animation, video or audio sound. The 4-H members should cooperatively present a verbal presentation to the judge that is highlighted by their multi-media presentation via computer or tablet. Participants must provide their own computer or other equipment needed for their 4-H Foods Event judging interview. Presentations will occur at participants' tables. Please do not bring projectors or other equipment which will require extra space.

Considerations should be given to creatively include the following items through the multi-media presentation:

- Nutritional facts of their menu
- Food safety
- Time management
- Choice of menu
- Food preparation
- Cost of item/per serving
- Food handling techniques
- Recipe of the food item shared with the judge

- Challenge ingredient (nutritional value, farm-to-fork, recipe revision, etc.)

### **General Rules / Guidelines**

1. For State Fair, teams will consist of two (2) members to be eligible to compete. 4-H members must be 10 years of age as of Jan 1 of current year.
2. All participants must be enrolled in a 4-H foods and nutrition project during the current 4-H year.
3. Judging interviews will be approximately 12 to 15 minutes. This time includes a short presentation by the teams, as well as questions from the judge.
4. Participants must provide their own card table for the display.
5. Check-in area will contain a refrigerator, a microwave and \*limited\* temporary storage for table settings.
6. Only contestants will be allowed to set up or arrange table settings.
7. Participants must have their table setting ready by the assigned time. Once tables are set, contestants should stay with their tables, as they are responsible for items placed on tables. Chairs will be available for contestants.
8. During judging, 4-H members may choose to dress in appropriate clothing, costume, or accessories relevant to the theme.

### **County Only Classes**

**F500995** - Clover Kid Division 5-7 years

**F500996** - Junior Division 8-9 years

**F500098** - Senior Division 14-18 years

# **Identification Contest**

## **Pay Code 180**

Participants do not need to be enrolled in the project to be judged in the respective contest. Placing high in the senior and intermediate division will qualify the 4-Her to represent York County at the State Fair.

### **Rules**

1. Participants may enter as an individual and as members of a team. A team consists of 3 to 4 individuals with the total scores of the three high individuals making the team score. Membership of the team must be designated if team competition is intended.
2. A team will compete at the level of the oldest team member, e.g., if a member of a team is in the Senior division, the team and its individuals will compete in the Senior division, even if some members of the team are of Intermediate division age.
3. Individuals compete according to their age.
4. Contestants will not be allowed to touch the samples during the contest.
5. Ages 10 years and older are able to compete at the State Contest.

### **Weed And Grass Identification**

Participants will be required to identify the plant specimens by accepted common name as defined by the "Weed and Grass ID List" by matching the contest specimen with a number from the alphabetical specimen listing for the contest.

- One point is possible for each specimen
- Specimens will consist of a minimum of leaves and stem, but may also include flowers, seed, or roots structures
- The first 35 specimens (intermediate division) will be exclusive to the

Intermediate division list. Specimens for senior's division 4-H members will include these plants as well as 25-30 additional specimens from those species noted on the ID list for 2020

### **County Only Classes**

**F500923** - Junior Division 8-10 years

**F500020** - Intermediate Division 11-13 years

**F500021** - Senior Division 14-18 years

## Insect Identification

### Rules

1. Participants may enter only as an individual
2. Contestants will have at least an hour to identify 50-60 insect specimens. Identifications will be scored strictly by the names given on the Specimen Study List, as

common names may vary according to resources studied

3. Contestants will identify specimens by common name only, and will use a key consisting of eligible orders and insects from which to write the corresponding letter (for order) and number (for insects) on an answer sheet. Every 5th specimen will have a multiple-choice insect knowledge question about the insect. The question may require the meaning of the order name, type of antennae, legs or mouthparts, kind of metamorphosis, a fact about biology, or the scientific name of the specimen. Scoring: Each correct order answer is worth 1 point, and each correct insect answer is worth 1 point. Each multiple-choice question is worth 2 points.
4. Contestants should not touch specimens during the contest. Magnifying lenses and printed images will accompany tiny specimens
5. Ties will be broken with a supplemental tie-breaker section at the end of the contest answer sheet consisting of 10 specimens to identify to order along with 2 insect knowledge questions. These specimens will be much more difficult to identify
