

2026 Summer Clover College Workshops

Summer Workshop Learning Days (Clover College)

Join us this summer for our **NEW** hands-on Workshop Learning Days!
Each day focuses on a different topic and includes multiple mini workshops.

- ✓ Attend one workshop or stay for the whole day
- ✓ Create multiple projects
- ✓ Bring a lunch and stay between sessions

Take-Home Kit:

The first workshop of each day will also be offered as a take-home kit for youth who can't attend in person. Please mark down that you will be taking a take-home discovery kit on the registration form.

Fair Projects:

Most projects will be completed during the workshop. If extra work is needed, instructions will be sent home.

Open to all 4-H members—come learn, create, and have fun!

Cancellations are due 1 full week in advance to be eligible for refund.

Workshops Registration

Deadline is May 21st
