

Remote Pilot Exam Prep Course Resumes January 2025 in Nebraska

Nebraska Extension will be offering one-day (eight hour) courses across the state to prepare individuals to pass the Federal Aviation Administration (FAA) Aeronautical Knowledge Exam required to receive a Part 107 remote pilot certification or license to fly drones for commercial applications.

Registration is available online ([Link](#)) for each location. Pre-registration is required with a \$275 registration fee. On-line registration closes the Monday prior to the event. Study materials, and light breakfast and lunch will be provided. An educational discount is available to students and educators through an application process available on the registration [link](#).

Please contact Dr. Dirk Charlson for more information on this course at
