PLATTE COUNTY FAIR 4-H AND FFA EXHIBITOR AFFIDAVIT AND STATEMENT OF DISCLOSURE

MARKET & DAIRY LIVESTOCK

Youth livestock producers understand they have an obligation to be a responsible food producer. All market animals will enter the food chain and become edible products for the consuming public. Dairy animals may be producing milk that will enter the food chain.

We, the undersigned, certify that:

- We have read, and in consideration for being permitted to exhibit at the Platte County Fair agree and consent to abide by the rules of competition including International Association of Fairs and Expositions (IAFE) Code of Show Ring Ethics as printed in the Platte County 4-H Animal Exhibitor Handbook. We agree to the condition that these entries (identified below) and/or the milk from these entries may be screened for residues.
- These animals were produced in accordance with applicable USDA and FDA regulations for drug residues and withdrawal periods, are free of drug residues not in compliance with applicable USDA and FDA regulations, and have not been supplied drugs in a form or at levels not approved by the FDA and USDA. This means the animals have not received any non-approved drug(s); and that our entries are not within any withdrawal time relative to the administration of any legal drug, vaccine or other substance UNLESS NOTED BELOW.
- To the best of our knowledge, while under our ownership, possession or direct control, none of the livestock are adulterated within the meaning of the Federal Food, Drug and Cosmetic Act, i.e. none of the cattle or other ruminants have been fed any feed containing ruminant derived meat and bone meal.
- We have completed the requirements for a Food Animal Quality Assurance program or test for this year.
- Any meat from this animal meets any and all voluntary and mandatory guidelines for human consumption.

If violations are detected, we shall not challenge the validity of testing or sampling procedures, and we shall be subjected to penalties determined by event management. Violations will result in the loss of any livestock sale premium, value of the animal, as well as suspension of the family exhibiting the specie in violation at the following Platte County Fair for one year.
