OPEN CLASS ANIMAL ENTRIES

All entries are made online on or before midnight of June 13 at <http://salineco.fairwire.com>.

STALLS, PENS & TACK

Stalls and pens will be assigned by the Extension Office and posted in their respective barns.

Stalls are expected to be identified with stall cards for herdsman ship judging, the superintendents, and Extension staff purposes.

Stall space is assigned according to the number of animals entered into <http://salineco.fairwire.com>.

Entry of animals you do not intend to exhibit WILL NOT GUARANTEE EXTRA STALL SPACE. Those found in violation of entering extra animals will be asked to move animals to make room for other exhibits.

UNDER NO CIRCUMSTANCES SHOULD ANY EXHIBITOR TAKE MORE STALL OR PEN SPACE THAN ALLOTTED ON THE STALLING/PEN MAPS.

Feeder Calves intending to stall for the duration of the Saline County Fair MUST specify at entry time if the animal is stalling or will be brought the day of the feeder calf show. Stalls will not be reserved for feeder calves arriving the day of the feeder calf show and returning home after the feeder calf show.

STALL AND PEN ALLOTMENTS

Beef: 1 head per stall. Except for Cow/Calf entries will be allotted two stalls.

Goats: 3 per pen depending on age/size of animal

Sheep: 3 per pen depending on age/size of animal

Swine: 3 per pen

If exhibitors have animals on different feed plans, the exhibitor MUST provide their own pen dividers.

Horses exhibited in the 4-H Horse show will not stall as the fairgrounds is not equipped with horse stall space.

TACK AND FEED

A small allocation for tack which will most likely be a tack area shared with another exhibitor or a shared club tack space will be allotted IF space allows. If stalls and pens are needed for animals, tack will need to be kept in your trailer.

It is a good idea to coordinate items such as rakes, shovels, hoses, and other supplies with members of your club to avoid duplication of items occupying stalls or pen space for animals.

SWITCHING OR TRADING STALLS OR PENS

The superintendent must be notified of any change in stall or pen assignments. This will help ensure that herdsman ship points are being given to the correct club or chapter.

USE OF TUBE WATERERS IN SWINE BARN

Tube waterers are highly discouraged as this water can become very hot when allowed to sit in the tube which may lead to the pig(s) not drinking the needed amount of daily water. These types of waterers may drip causing wet bedding which may draw flies and other insects into the barn. Exhibitors are encouraged to keep bedding dry and utilize wash racks for feeding or watering with less wet bedding drawing flies in the barn.

USE OF SELF-FEEDERS IN SWINE BARN

Exhibitors are not to bring in self-feeders for swine.

BEDDING AND CLEAN UP OF BEDDING

Bedding for goats, sheep, and swine is the responsibility of the exhibitor. Woodchips or shaving are required. NO STRAW.

BEEF BEDDING

Beef bedding will be provided by the Saline County Ag. Society. A \$10 fee per head will be assessed based on the head of beef PRE-ENTERED at entry time. Exhibitors will receive an invoice before the county fair and must be paid immediately as no bedding fees will be managed at beef check-in. The fee will be used to obtain the beef bedding and pay volunteers to remove the bedding after the conclusion of the fair. Beef exhibits may bring their own woodchips or shaving to top-dress if desired. NO STRAW IN BEEF STALLS.

Refer to each species section for specific bedding guidelines.

Exhibitors MUST completely remove all bedding from goat, sheep, and swine pens.

Beef exhibitors must pull all bedding away from the tie-rail.

BEEF TIE-OUTS

Straw may be used in Beef tie-out areas. Club/exhibitors are responsible for providing tie-out bedding.

Beef tie-out areas are not assigned. First-come, first-serve. ONLY TAKE WHAT YOU NEED, SAVING ROOM FOR OTHERS.

It is recommended to use a second, security neck-tie when tying out beef animals.

WASH RACKS

Please respect the time of other exhibitors when using the washing racks. DO NOT LEAVE ANIMALS IN THE BEEF, GOAT, SHEEP, AND SWINE WASHRACKS FOR MORE THAN 30 MINUTES AT A TIME.

ANIMAL ELIGIBILITY

Project animal identification numbers will be checked according to 4-H and FFA identification requirements.

All exhibitors are limited to the same number of entered livestock.

No animals may be shown in both the open and junior show except beef *. No animal can be shown in both a market and breeding class. No beef can be shown in both a feeder calf and breeding heifer class. Calves of the Cow/Calf classes are the only animal that may show as part of the cow/calf and individual Feeder calf.

*Beef can be entered into the Open Class Beef Show.

Exhibitors are recommended to identify any animals that have a possibility of being shown, animals cannot be added to an identification form because of sickness or injury at fair time

YOUTH WHO ARE BOTH 4-H AND FFA MEMBERS

A youth may show both 4-H and FFA animals if he or she is an official member of both 4-H and FFA.

An animal must officially be identified as a 4-H or FFA project animal by the identification deadline.

Animals that have been exhibited as either 4-H or FFA projects at another county fair **CANNOT** be shown as junior livestock projects at the Saline County Fair. The same is true for 4-H or FFA projects shown at the Saline County Fair. You **CANNOT** exhibit an animal shown at the Saline County Fair at another county fair.

Age-eligible youth can exhibit animals at another county fair **IF the animal is an animal that has NOT been exhibited at another county fair and if the animal is properly identified and entered with that respective county fair.**

Example: A 4-H youth who exhibited a 4-H identified animal at the Saline County Fair CAN exhibit at another county fair as a FFA exhibitor IF you are exhibiting AN ANIMAL THAT HAS NOT BEEN EXHIBITED AT ANOTHER COUNTY FAIR AS A 4-H PROJECT AND VISA-VERSA.

WHO CAN ASSIST WITH GROOMING

Grooming animals for show is primarily the responsibility of exhibitors. However, assistance from immediate family members (parents or siblings), fellow Saline County 4-H and FFA fair exhibitors, and 4-H and FFA leaders/advisors is permitted as a learning tool for future shows. Saline County 4-H Leaders and FFA Advisors who have youth exhibitors at the Saline County Fair are allowed to help any 4-H or FFA fair exhibitor regardless of club or chapter affiliation. Ex: A club leader can help any 4-H youth in their own club, another youth in a different club or even an FFA exhibitor. An FFA advisor can help any FFA member from their own chapter, another chapter or 4-H exhibitor. Those in violation of this rule will receive one verbal warning. If violations continue, the exhibitor will be disqualified from the respective classes in which the violations affects.

Animals found to have had compounds applied and in violation of fitting rules after entering the arena they will be lowered 1 live ribbon placing (i.e., purple lowered to blue).

The goal is to show your animal's natural qualities not using enhancements or other false pretenses to make them appear better. Specific examples include: Twining, air, water, or other methods of altering the body shape are not allowed. False Beef tails allowed.

Bucket calves can only be washed and have their hair combed in its natural direction. (No changing of the natural direction.)

Pigs must be shown without hairdressing compounds. This includes oils, powder, or any other coat dressing compounds. Water is permitted.

See individual specie rules found in this fairbook.

JUNIOR SHOWMANSHIP

Showmanship is open to bona-fide 4-H and FFA exhibitors of that species at the Saline County Fair. If numbers indicate Divisions may be split into preliminary and finals.

Showmanship entries must be with your own 4-H or FFA project animal. This means the same 4-H or FFA member will be showing this animal in live division class. Each competitor must show his/her own animal. An animal can only be shown once except in horse if a shared project animal. An animal with an official fair entry in an exhibitor's name is considered to be their own animal. No animal is to be shown in any showmanship division by 2 different youth.

4-H and FFA members must pre-enter showmanship classes by the fair entry deadline.

All current division winners in all species may compete for the overall award within their specie division.

Please check the show schedule the morning of the show.

Cat and Dog are often judged in combination with the animal presentation.

Lottery Pig exhibitors will participate in showmanship two times as showmanship is part of the overall scoring for these 3 areas of judging. Lottery Pig exhibitors may also participate in their respective showmanship age group. Youth must pre-enter their respective showmanship age group.

Appropriate showmanship attire is expected.

- The use of unnatural means, such as drugs, to reduce the weight of an animal.
- The use of a compound(s) or drug(s) on a species other than the species it was approved for by the FDA.
- The use of a drug or compound beyond the specified withdrawal requirements of the FDA.
- The use of air or any other artificial method to alter the body shape of an animal.

Any action or practice the superintendent feels is inappropriate or abusive to the animal will be reported.

4. In cases that are not specifically addressed in this statement, one warning will be issued by the Superintendent before action is taken in accordance with the policy stated in this fairbook.

5. Any animal entered at the Saline County Fair is subject to both urine and blood testing at the discretion of the superintendent. If blood and/or urine testing is requested, the cost of the test(s) will be incurred by the exhibitor of the animal, if the results of the test(s) indicate a Saline County Fair Drug Use rule has been violated. If the results indicate that no Saline County Drug Use Rule has been violated, the cost of the test(s) will be incurred by the Saline County Fair.

ANIMAL CONTROL

Exhibitors must demonstrate an ability to control their animal(s) at all times in the showring. Upon the second escape the animal will be excused from showring for that class **ONLY**. Example: If the escapes happen during showmanship or a live class and the exhibitor is excused from the showring, the exhibitor and animal are allowed to exhibit the animal in another pre-entered class. Ex. If the exhibitor & animal are excused from showmanship, the exhibitor & animal can exhibit in the live class or visa-versa.

MARKET ANIMAL PREMIUM AUCTION

A Market Animal Premium Auction has been established for exhibitors of Market Goats, Market Sheep, Market Swine, Market Beef, Pen of Three Broilers, and Meat Rabbits to help offset the expenses of such projects, and the lack of future value contributing valuable genetics to future generations of livestock as breeding animal exhibits have.

Each age-eligible 4-H or FFA member exhibiting a **market** animal of the previously mentioned species is eligible to consign ONE sale animal, regardless of how many species are exhibited. The only exception would be if one exhibitor has more than one Champion or Reserve Champion, in which all Market Champions and Reserve Champions are to be consigned.

4-H and FFA members sign up via online entry by 2 pm on Saturday, or no later than 30 minutes after the conclusion of the Jr. Beef Show. **LATE REQUESTS FOR AUCTION ENTRIES WILL NOT BE ALLOWED.**

4-H and FFA market auction exhibitors AND their parent(s) **MUST** sign up to help with either a pre or post-auction duty.

The Market Auction Event is scheduled for Sunday morning of the fair beginning at 11:30. (Parents and youth have duties for setup that begin at 9 a.m.)

Potential buyers/supporters will only be purchasing the premium for the animal offered, no actual transfer of animal ownership takes place, and the purchase price is a monetary donation to the exhibitor of said animal.

Each Premium Auction participant should take an active role in reaching out to secure a potential buyer for your livestock premium auction entry. It is not the responsibility of the Premium Auction Committee or the Extension Staff to ensure adequate buyers are present.

This Auction is organized by a volunteer committee, with additional committee members welcome. (Each club with participants should have at least one committee member.) If committee members are not forthcoming the Auction may cease with all funds disbursed.

PREMIUMS

Premiums due to exhibitors will be forwarded to exhibitors in a timely manner as the 4-H Extension Staff and Saline County Ag. Society has time to prepare the premium checks. All premiums not called for before October 31 will be forfeited to the Saline County Ag. Society.

Premium Auction questions should be directed to Greg Hollman at 402-450-6858.

4-H PARTICIPANT CODE OF CONDUCT

The primary goal of the 4-H Program is to help youth develop competency in their projects, confidence in themselves and others, connections to their community and sound character. Actions by persons (Parents, and 4-Hers) involved with the 4-H Program will be consistent with the six core ethical values comprising good character: trustworthiness, respect, responsibility, caring, fairness and citizenship. As a 4-H Participant/Parent/Guardian I will:

- Treat all people and property with respect, courtesy, consideration, and compassion. Avoid and prevent putdowns, insults, name calling, swearing, and other language or nonverbal conduct likely to offend, hurt or set a bad example.
- Keep informed about 4-H program policies and projects and read materials pertaining to the county 4-H program.
- Teach and model kindness and compassion for others. Recognize that all people have skills and talents which can be used to help others and improve the community. Teach and foster teamwork and discourage selfishness.
- Practice fair-mindedness by being open to ideas, suggestions, and opinions of others. I will make all reasonable efforts to assure equal access to participation for all youth and adults regardless of race, creed, color, sex, national origin, or disability. Decisions will be made fairly and treat all individuals and families with impartiality.
- Obey laws and rules as an obligation of being a good citizen. I accept responsibility for the proper treatment and care for other youth and adults, the program facilities and/or equipment.
- Demonstrate the responsible treatment of animals and stewardship of the environment.
- Not use alcohol or illegal substances (or be under the influence) while working with or participating in any part of the 4-H Program.
- Provide a safe environment for all parties involved in 4-H. I will protect those involved from sexual harassment, physical force, verbal or mental abuse, neglect, or other harmful behaviors.

Youth participants/Parents/Guardians who do not abide by the above code of conduct will be subject to the following consequences:

- Be asked to explain actions to the 4-H Educator.
- Be dismissed from an event at own expense.

- Further disciplinary action determined in cooperation with the local Extension Educator, the District 4-H Coordinator, the State 4-H Program Administrator, and as warranted, the Dean of Extension and IANR Administration. Disciplinary action may include:

 - becoming ineligible to participate in the Nebraska 4-H program.
- Reimburse the proper entity for any property damage or for liability resulting from inappropriate actions. In the case of vandalism, guilty party may be required to reimburse 4-H and/or the facility.
- Multiple violations of the code of conduct may result in:
 - Suspension for a period of time,
 - Becoming ineligible for 4-H participation in their county.
- Parent/Guardian violations may also result in:
 - Restriction from contacting 4-H families, volunteers, donors, and/or sponsors pertaining to any 4-H matter.

VOLUNTEER CODE OF CONDUCT

Your primary goal as a 4-H volunteer is to help children and youth develop competency in their projects, confidence in themselves and others, connections in their community, and sound character. As a 4-H volunteer, you are to help kids do what they are capable of doing. You are to promote teamwork and leadership while helping the 4-H'ers learn and have fun.

Everything you say and do should be consistent with the six core ethical values comprising good character: trustworthiness, respect, responsibility, caring, fairness, and citizenship. This Volunteer Code of Conduct sets forth expectations of 4-H volunteers:

1. Act to encourage and justify trust. Teach 4-H'ers the meaning and importance of trustworthiness.
2. Treat members, parents, Extension staff, judges and others with whom I come in contact with respect, courtesy and consideration. Avoid and prevent put-downs, insults, name-calling, yelling, and other verbal or non-verbal conduct likely to offend, hurt, or set a bad example.

3. Inform myself about youth and their positive development. Fulfill my responsibilities by striving to improve my performance as a volunteer and a mentor of young people. Attend volunteer training sessions when I can and seek out and use books, videotapes, and other educational materials.
4. Teach and model kindness and compassion for others. Recognize that all young people have skills and talents, which can be used to help others and improve the community. Teach and demand teamwork and discourage selfishness.
5. Teach and model fair-mindedness by being open to ideas, suggestions, and opinions of others. Make all reasonable efforts to assure equal access to participation for all youth and adults regardless of race, creed, color, sex, national origin, or disability. Make all decisions fairly and treat all members with impartiality.
6. Teach and model the importance of obeying laws and rules as an obligation of citizenship. Obey the laws of the locality, state, and nation. Promote the responsible treatment of animals and stewardship of the environment.
7. Not use alcohol or illegal substances (or be under the influence) while working with or being responsible for youth, or allow youth to do so while under my supervision.
8. Provide a safe environment. I will not harm youth or adults in any way, whether through sexual harassment, physical force, verbal or mental abuse, neglect, or other harmful behaviors.
