# MODELING NARRATION

(A narration is needed for each time you model.)

As you model your outfit at the public fashion revue, a two or three minute narration will be read. Below, write or type an interesting description of you and the outfit you will model, remembering to use your name, not “I” or “My”.

Here are some special points of interest you might wish to use in your narration. You do not have to include them all:

1. Special features that you like about the outfit.
2. Where you plan to wear the outfit.
3. Sewing techniques you learned in making this outfit.
4. Accessories you are wearing.
5. Consumer information such as price, fabric content or how the outfit saved you money.
6. Describe the way the outfit looks on you, or the way you feel when wearing the outfit.
