go.unl.edu/chemigation-training

Nebraska Extension is a Division of the Institute of Agriculture and Natural Resources at the University of Nebraska–Lincoln cooperating with the Counties and the United States Department of Agriculture.

Nebraska Extension educational programs abide with the nondiscrimination policies of the University of Nebraska–Lincoln and the United States Department of Agriculture.

2023 Training Schedule

Register for training and/or to order study materials at pested.unl.edu. To review the certification process, see page 4. Online [recertification](#) training is available for 2023. Please see pested.unl.edu for registration.

Licensing exams are available following all [initial](#) training sessions. Testing is NOT available at [recertification](#) sessions. See page 3 for additional recertification options.

The Nebraska Department of Agriculture (NDA) offers additional testing-only days for all applicator categories. No training is offered on NDA testing-only days. Check the website at www.nda.nebraska.gov/pesticide/applicator_testing.html.
