## **2024 ANTELOPE COUNTY FAIR**

It is time to reserve your camping spot for the 2024 Antelope County Fair. The spots are assigned on a first come basis and are based on the length of your camper. Due to more families getting bigger campers the number of spots has been reduced. Bigger, longer and slides is not better in our case .

If you would like to reserve a spot the cost is \$15.

Please fill out the form below and mail it back with your payment. No spots will be reserved until payment is received. 4-H families with animals in the barns have priority.

Thank you for your cooperation and interest in camping during the fair. Dead line is June 15. Any received after that date will be put on a waiting list.

If you have questions, please contact the Ag Society at 402-841-3798. Do not contact the Extension Office.
