

2022 Food Stand Requirements and Shifts

PLEASE READ CAREFULLY:

- *The State Health Department* requires each person working in the food stand to wear some type of head covering. You will need to bring a CLEAN cap, visor, or bandana for your use.
- For safety reasons, no children under the age of 8 are permitted in the food stand.
- An adult (18 or older) must work with 4-H family members for the entire shift.
- **FAILURE TO WORK IN THE FOOD STAND WITH AN ADULT AND DONATE YOUR MONEY WILL RESULT IN A LOSS OF INCENTIVE MONEY.** This is one of the 4-H Council's main fund raisers for the year. The 4-H Council is committed to supporting educational experiences and positive youth development in all areas. Funds raised help support insurance for all enrolled youth and volunteers, trophies, scholarships, facility improvement and upkeep, and more. Consider the 3-hour work shift your contribution toward community service to the 4-H program in Nance County.
- If you must change times, days, etc., it is YOUR responsibility to find someone to take your place. Call Christie at 308-550-0190 if you have switched times with another family. If you switch during the fair, mark it on the master schedule in the food stand. Christie Warner is the food stand manager this year.

4-H PROGRAM SUPPORT:

- All 4-H families are requested to donate \$15 to the 4-H Fair food Stand. You may drop your \$15 donation off to Ashley at the Extension Office or personally give to Christie at the food stand at your shift.

Thank you! We look forward to our 2022 Nance County Fair!
