1. I AM Board - Youth will use creativity to express self-awareness and develop an appreciation for the diverse strengths of others through this creative project.

2. Scorch Marker - A cool project that looks like woodworking, but without the hot wood burning tools!

3. Pollinators - Learn the importance of pollinators, especially our native bees. Youth will also get to taste different types of honey, make a honeycomb candle and bee hotel!

4. Tie Dye - **Bring a white colored t-shirt** and join us for this colorful session.

5. Photography - **Bring a smart phone, digital camera or DSLR camera** and learn what makes a good photograph. We'll explore the 4-H curriculum along the way too.

6. Paint Stick Shirt - **Bring a darker colored t-shirt** and watch it transform into a fun new wardrobe piece!

More learning opportunities may be added as our summer intern staff come onboard. Watch your 4-H online email or follow Boone-Nance Extension on facebook to stay in the know!

To register for a summer workshop or kit, please call the Boone or Nance Extension Office. Workshops have limited enrollment numbers. Registration isn't considered final until fees are paid.
