For more information, find us on Facebook.

Boone County 4-H Robotics

Organizational Leaders: Sarah Moeller & Maggie Smith

Competitive Robotics club - First Lego League guides youth through STEM learning and exploration. They will apply their skills in an exciting competition while building learning, confidence, and teamwork skills along the way.

Private Facebook page, open to members.

Boone County Junior Leaders

Leaders: Scott & Heather Brengelman, Dallas & Krista Choat, Brian & Hilary Maricle, Matt & Katie Schriver, and Dan & Susan Staub

Open to all 4-H members in High School from static exhibitors, shooting sports, livestock exhibitors, and all others, as well as from every Boone County community.

Junior Leaders offer great support to the local 4-H Program, assist with the Arama shows, 4-H leadership and community service projects.

Canine Cadets

Leaders: Delilah Potter & Teri Choat

Canine Cadets is about learning obedience skills, showmanship, and agility to better the partnership between you and your canine companion. All levels and ages welcome to join in on the fun with your dog best friend.

Clever Clovers

Leader: Jean Meyers

Project Leaders: Becky Preister, April Johnson

We have an emphasis on sewing, cooking and home living projects. A lot of our members also do horticulture projects. Club activities have included alcohol ink art, tie-dye, and barn quilts.

Cloverleaf

Organizational Leader: Lisa Wagner

The Clover Leaf 4-H Club is a very strong livestock club. The members help with putting on the very successful Beef, Pig, Sheep & Goat Arama livestock shows in late May every year. They are also a very strong leadership club.

Country Kids 4-H Club

Organizational Leaders: Heather Brengelman & Stephanie Beckwith

(Leaders & Volunteers Needed)

Teaches basic leadership skills, small animal care, livestock care, health maintenance & facilities, industry topics, judging, showmanship, home gardens, music, arts & crafts. This club offers activities that support interests in 4-H program areas such as community service, food science, safety, and general interests. Projects that are completed at monthly meetings will be expected to be entered into the fair.

The approximate start date for meetings is February 2024, with the first meeting attended by parents and children.

For more information, follow us on Facebook.

Dream Team

Leaders: Amy Malander & Janet Groetete

Main focus is cattle & other animal species; some baking projects

Jr Pirates 4-H Club

Leader: Sharon Baker

50%-50% Livestock and Home Environment. Also help Auxiliary distribute poppies every year, and take care of the Loretto Pioneer Cemetery.

Find us on Facebook!

Levi's 4-H Club

Leader: Bobbi Francis

Project leaders: Deloris McMillan & Sigourney Inman
Horse club teaching basic skills in horsemanship and all-around horse, while having fun riding ride.

Find us on Facebook for meeting information.

Rolling Hills

Organizational Leader: Vanessa Cumming

Project leader: Cyndee Merrell
(Volunteers needed)

Teaches basic skills in Home Environment, Citizenship, and Community projects.
