

# CLOVER KIDS FUTURE 4-H EXHIBITS

## DEPARTMENT J

Superintendent - Christina Kloch & Natasha Schumacher

### General Rules

- A. The goals of this program are to build self-esteem through success and to encourage creativity.
- B. To exhibit in this Division, youth must have enrolled in the Clover Kid program and must have pre-registered their exhibit by the 4-H fair registration deadline.
- C. Clover Kids will enter their projects from 1:00 – 2:00 pm on entry day (see current year schedule) in the Multi-Purpose Building.
- D. **Limit of three (3) exhibits (Division J770001 – J770010) per exhibitor**
- E. Clover Kids may also participate in any or all the activities (Division J770011 – JJ770017)
- F. Clover Kids may bring food projects but will not be able to display any cake decorating items.
- G. If showing during cat and dog show, you must have turned in vaccination **records by July 1.**
- H. Divisions J770018-J770021 - Clover Kids will be allowed to show livestock under 350 pounds at the end of each respective show. Clover Kids MUST be enrolled in 4-H Online and have registered for the livestock fair project. Clover Kids can show a pig, sheep, meat goat or dairy goat with the HELP of an older 4-H member and MUST show an animal that is already on the premises. Clover Kids are not allowed to bring their own livestock, and Clover Kids will not be allowed to show any beef species, including bucket calves.
