

# Rope

Superintendent: Ashtyn Vivion  
County only project

## General Rules

- A. 4-Hers are limited to three (3) exhibits per project in this project.
- B. No rope exhibits are eligible for the State Fair.
- C. Each rope exhibit must be mounted on a board 3-inch-thick x 24-inch-high x 32-inch wide.
- D. All items on demo-boards in classes H925001 - H925003 must be made according to instruction found in the 4-H Rope Manual, EC 7-01-79 (available at Extension Office). The office has a knot manual which has lots of information.
- E. Mount the knots in the same position as shown in the 4-H Rope Manual.
- F. Either manila or synthetic rope may be used.
- G. When halters are exhibited, the tie rope, plus a required second piece of rope must show any three of the following items:
  - 1. End whipping
  - 2. Eye splice
  - 3. Crown splice,
  - 4. Rosebud knot
  - 5. Matthew Walker knot
  - 6. Diamond knot

## Division H925, Rope

- H925001 **Rope Display**, at least 10 and not more than 12 knots, hitches and splices (include two splices) made of 3/8-inch rope. See above requirements for halter exhibits.
- H925002 **Single Loop or Double Loop Halter** - cattle and horse use 5/8-inch or 3/4-inch rope. See above requirements for halter exhibits.
- H925003 **Single Loop or Double Loop Halter** - sheep and goats use 3/8-inch rope. See above requirements for halter exhibits.
- H925500 **Other Rope Project**
