4-H is a Feeling!

Build skills for a lifetime

Premier Communication Event is May 14

From beginning to experienced speakers, these contests help youth develop communication, speaking and presentation skills, learn how to organize and prepare a speech, learn how to present themselves to others and develop self-confidence.

PSA - Public Service Announcement

The Radio Public Service Announcement (PSA) contest challenges youth to write and record a 60-second promotional audio recording focused on the 2024 Nebraska State Fair theme: **'4-H is a Feeling'** that could be played on the radio to promote the work of Nebraska 4-H. Youth are judged on their overall organization and delivery of the PSA.

Meet Me at the Fair!

County-only PSA

Have fun creating a PSA using this year's county fair theme **'Meet Me at the Fair'** while promoting 4-H. NOTE: Youth can remain in the audience while their PSA is being played at the contest.

Speech Contest

Did you know that Clover Kids can talk about anything from reading a poem, a favorite story or tell their favorite thing about 4-H? All other levels must incorporate 4-H into their speech.

Presentation Contest

Presentations topics should be related to what the 4-H youth is learning through 4-H educational experiences. Participants can express themselves using visual aids in the Illustrated Presentation.

Video Communication

Youth who enjoy making their own YouTube videos and Tik Toks would love this competition! The video communication contest allows youth to create a multi-media video around a theme related to 4-H. Judges will be evaluating on both the organization of information as well as the audio and video production.

NOTE: Youth can remain in the audience while their PSA is being played at the contest.

For more on these pre-fair contests, visit <https://extension.unl.edu/statewide/buffalo/buffalo-county-fair/>

Sign up by May 7 at <https://go.unl.edu/presentation2024> or use the QR code

All talent welcome at Performing Arts Contest

Deadline to sign up is May 13

Youth ages 5-18 are welcome to share their talents of singing, playing an instrument, dancing or other special performance skills at the 4-H Performing Arts Contest on May 20. Groups are encouraged to enter! Register at <https://go.unl.edu/performingarts2024> or use the QR code.

GET READY FOR Performing Arts

2024 TRACTOR & EQUIPMENT SAFETY TRAINING

MARK YOUR CALENDAR! COST: \$40

Federal law prohibits children under 16 years of age from using certain equipment on a farm unless their parents or legal guardians own the farm. However, certification received through this course grants an exemption to the law allowing 14- and 15-year-olds to drive a tractor and to do field work with certain mechanized equipment. Certification is earned by completing a Hands-On Safety Day with written test (Certification Day 1), then completing the Tractor and Equipment Safety Training with driving exam (Certification Day 2). Successful completion of a Certification Days 1 and 2 will result in certification for 14 and 15 year old youth to be employed on farms and ranches.

Youth under 14 years of age can attend Certification Day 1 **if accompanied by an adult**. They will not be able to drive equipment, attend Day 2, or become certified. Students under 14 must still register, but will not be charged the registration fee.

SUMMER 2024 SCHEDULE

Date(s)	Event(s)	Location
May 21 May 22	Certification Day 1 Certification Day 2	North Platte, NE
May 28 May 29	Certification Day 1 Certification Day 2	West Point, NE
May 30 May 31	Certification Day 1 Certification Day 2	Weeping Water, NE
June 4	Certification Day 2*	Gering, NE
June 5 June 6	Certification Day 1 Certification Day 2	Gordon, NE
June 7	Certification Day 2*	O'Neill, NE
June 11 June 12	Certification Day 1 Certification Day 2	Grand Island, NE
June 13	Certification Day 2*	Hastings, NE

LEARN MORE

Scan the QR code or visit go.unmc.edu/tractor-safety-training

*Those attending a location that only offers Certification Day 2 must complete Certification Day 1 at another location, OR complete the virtual module. Certification Day 1 (or online module) MUST be completed, with written exam, before attending Certification Day 2.

Buffalo County 4-H Shooting Sports kicks off Trap/Shotgun 101

The 6-week Saturday Shotgun Program began on April 27 and participants will continue to meet at the Minden Gun Club on May 4, 11, 18, 25 and June 1.

SENIOR TEMPT, TASTE, TRY

SIGN-UP DEADLINE IS MAY 24

Youth ages 13-18 (as of Jan. 1) can choose 4 projects for full day or 2 for half day to create and show at the Buffalo County Fair.

When: 9 a.m. to 3 p.m. Wednesday, June 5

Where: Buffalo County Extension Building

Register: <https://go.unl.edu/srttt2024> or use QR code

Wood Burning

Participants will make a one-of-a-kind artwork design using a stencil, wood burning paste, and a heat gun. Pick from a variety of designs to make it one of a kind while learning a new technique to decorate wood! \$7

Design a T-shirt

Design a personalized T-shirt! Participants will work with an adult who is a Cricut expert. Learn about elements of design to guide you in the design your shirt. A heat press will be used to iron on their final product. \$10

Batik

Batiking is the manipulation of fabric with beeswax and dye. Participants draw a design on the fabric, trace the design with beeswax and dye the fabric. The beeswax will protect the fabric from getting dyed, showcasing their design. Frame your design - making a one-of-a-kind wall hanging! \$7

Lip Balm

Make lip and body balm by mixing natural beeswax, shea butter, coconut oil and color or scent to produce the perfect skin protectant and a beautiful gift for a friend or yourself. Create two lip balms and two body balms to take home! \$7

JUNIOR TEMPT, TASTE, TRY

SIGN-UP DEADLINE IS MAY 24

Youth ages 8-12 (as of Jan. 1) can choose 4 projects for full day or 2 for half day to create and show at the Buffalo County Fair.

When: 9 a.m. to 3 p.m. Thursday, June 6

Where: Buffalo County Extension Building

Register: <https://go.unl.edu/jrttt2024> or use QR code

Wood Burning

Participants will make a one-of-a-kind artwork design using a stencil, wood burning paste, and a heat gun. Pick from a variety of designs to make it one of a kind while learning a new technique to decorate wood! \$7

Batik

Batiking is the manipulation of fabric with beeswax and dye. Participants draw a design on the fabric, trace the design with beeswax and dye the fabric. The beeswax will protect the fabric from getting dyed, showcasing their design. Frame your design - making a one-of-a-kind wall hanging! \$TBD

Glass Fusion

Learn how to make glass fusion art from Paint Paradise! Participants will be given pieces of glass and a backing. Projects will be left at the Extension Office so Paint Paradise can fire them in their kiln! Projects can be picked up at a later date. \$10

Yarn Wire Design

Learn how to shape wire into a fun shape, letter, or word, and cover it with yarn to make a fun wall hanging for your room! \$7

Design a T-shirt

Design a personalized T-shirt! Participants will work with an adult who is a Cricut expert. Learn about elements of design to guide you in the design your shirt. A heat press will be used to iron on their final product. \$10

ONLINE HORTICULTURE CONTEST

AVAILABLE JUNE 7-21 AT [HTTPS://GO.UNL.EDU/ONLINE4HHORTCONTEST](https://go.unl.edu/online4hhortcontest)

Do you know what it takes to pick the best fruit and vegetables out at the grocery store? Or do you know what judges are looking for when they judge your plants at the county fair? Have you ever wondered, what plant is that?! We are excited to offer the opportunity to learn these and other important horticulture skills through the Online Horticulture Contest. More information about the Nebraska State contest along with study materials for the knowledge portion, links to plant pictures to aid in identification and insight on how judging of plant material is done at <https://4hfairbook.unl.edu/fairbookview.php/contests/45>.

More details at: <https://4h.unl.edu/online-horticulture-judging-contest>

3 parts of Horticulture Judging Contest

- **Identification of plant material:** Participants identify the plants by common name from a plant list. Specimens may be alive or preserved plant parts like stems, twigs, leaves, flowers, seeds, fruits, roots, bulbs, tubers, or plant products.
- **Knowledge:** Usually in the form of a true/false or multiple choice quiz, questions will test the contestant's knowledge of cultural practices for horticultural crops, plant science, pesticides, horticultural careers and other topics related to the production, processing and consumption of horticultural crops.
- **Judging or placings:** Four different plants, plates of vegetables, or container flowers are ranked from best to worst based on a set of criteria. Classes are judged on the basis of condition, quality, uniformity, true-to-type, and size.

Explore the natural world at a 4-H camp!

Youth will get to explore and interact with their natural world in five different sessions, exploring how they can use their head, heart, hands and health to make our natural world a better place for all. A limited number of scholarships are available. To apply visit go.unl.edu/campscholarship.
