CLOVER KIDS

The purpose of Clover Kids program is to promote the positive development of youth to become competent, caring, contributing citizens. The learning experience is the primary reason for involvement in the program. Clover Kids exhibits are non-competitive and are not eligible for the state fair.

4-H Clover Kids participants receive participation ribbons only; no trophies, premiums or awards are given.

Exhibitors must be at least five years of age and not older than eight years of age by January 1 or the current year and enrolled in 4-H Clover Kids. Pre-registration and entry/release requirements are outlined below. Animals need to follow health regulations in fair book for each animal species (refer to appropriate division).

Members may choose from any combination of the following:
