SCHOOL ENRICHMENT PROJECTS

Purple, \$2; Blue, \$1.50; Red, \$1; White, \$0.50

Students enrolled in the 4-H School Enrichment projects may exhibit posters, displays and/or through exhibits to illustrate a learning experience in that project. Exhibitor's name, school, and grade should be attached to the right hand corner of the poster or display.

940001 Embryology essay — At least 100 words in length about "What I Learned in Embryology."

940002 Embryology book — Use photos and/or drawings to illustrate the development of the chicken embryo.

940003 Embryology — You Be the Teacher: Share with others what you learned in the project. Exhibit may be a poster or foam core board (not to exceed 22 inches by 30 inches), a notebook or a small display of an educational nature.
