

ServSafe Food Safety Training

Due to recent publicity regarding foodborne illness outbreaks, your customers are more concerned about food safety.

Don't miss this opportunity to obtain certification from the National Restaurant Association and update your skills in foodborne illness prevention. You will:

- Receive a **7th Edition** (*with the 2017 FDA Food Code updates*) **ServSafe Manager** reference book for your establishment.
- Discover the critical areas of food safety.
- Learn to develop your own HACCP program.
- Be able to implement facility sanitation and employee training.

Prior to the training, you will receive the *ServSafe Manager* book. The class is taught in English -- contact us if you need a book or test in Spanish, Chinese or Korean.

Program Content

- Providing Safe Food
- Forms of Contamination
- The Safe Food Handler
- The Flow of Food
- Purchasing, Receiving and Storage
- Preparation and Service
- Food Safety Management Systems
- Sanitary Facilities and Pest Management
- Cleaning and Sanitizing

Other Food Safety Programs

*The **ServSafe Food Handler** Program is a 2-3 hour basic food safety class for foodservice employees.*

***What You Need to Know about Food Allergies** is a 2-hour program. Topics will include food allergy basics, preparing food safely and reducing allergy risks.*

Both programs can be scheduled at a time convenient for your facility. Contact your local Extension Office for more information.

To register by mail: Complete the form below and mail with a check.

To register by credit card: Complete registration form and credit card info at: <http://go.unl.edu/servsafe>
