DEPARTMENT R - OPEN CLASS FOODS

Superintendent – Sandy Bongers

All articles must be homemade and the product of exhibitor.

To avoid waste, following judging of baked goods, a smaller exhibit will be placed in the cases. Exhibitors need to mark all returnable plates and dishes and pick up the remainder of their entries by Thursday night. Please indicate to the foods superintendent whether or not you will be picking up the remainder of your baked goods.

No person can enter more than one exhibit per class number.

Ziploc or Hefty bags make it easier to open bags for judging.

No canned food will be opened except in case of doubt.

Jellies will be opened and cut to show their consistency.

**NO cream cheese or meringue! Foods with these ingredients will be disqualified!**

Canned food will be disqualified for the following reasons:

1. Not sealed
2. Standard canning jars are not used
3. Coloring is added
4. Wax is used for sealing jams and jellies. The USDA does not approve this method.

**Only 1 item may be entered per class number.**

DIGITAL PHOTO ART

Images must incorporate at least one photograph, but may include multiple photos, graphics, typography, or graphics created by the exhibitor. Changes and creativity beyond your camera’s capability is expected in creating the photo for entry. All or portions of the work may be digitally altered as desired. Each entry will be judged on composition, creativity, technical skill, aesthetic appearance, professional presentation and technical difficulty. Subject material must be suitable for public display as determined by the Butler County Agricultural Society and photography superintendent. No other restrictions will apply. What we are seeking is a final product that is altered or manipulated beyond normal retouching or color changing.

Each entry must include on the back of exhibit a thumbnail picture of all source photos used prior to alteration and a brief explanation of the technology/program used to create the final image. (Include the names and versions of all software including drawing tools, layout, editing, digital filters, special plug-ins used to create the entry). Failure to include the explanation will disqualify your entry.
