

Youth Hunter Education Challenge

Saturday, October 13, 2018 • 8 a.m. - 5 p.m.

Enhance your shooting skills and learn more about wildlife, survival skills and hunter responsibility.

This free competition is for youth age 11 or older who have successfully completed Hunter Education and not yet graduated from High School. Proof of successful Hunter Education completion is required.

The challenge is conducted under simulated hunting conditions to provide the best practical environment for reinforcing and testing a young hunter's skill. This event will feature archery, shotgun, muzzleloading, hunter safety trail, orienteering and hunter responsibility Exam.
