

2021 Cass County Fair 4-H Livestock Auction

All animals in the auction will sell for premium only (dollars per head not cents per pound). 4-H Exhibitors will have the choice of retaining ownership and receiving only the premium or shipping the animal and receiving the premium in addition to sale proceeds from the buyer of the animal. Buyers of animals eligible for sale will still have the opportunity to purchase the animal for the base bid per pound times the animal's weight in addition to the premium bid on the auction and the animal must go to the locker.

Because of changes in Internal Revenue Service and Federal tax regulations, organizations like 4-H clubs or councils are no longer considered to be tax exempt under the GEN rule. In short, the GEN rule meant taxpayers could give donations to a tax exempt organization and declare those contributions as a deduction on their income tax return. That is no longer the case. Businesses may record auction purchases as promotion or marketing expense for tax purposes. Individuals can no longer declare an auction purchase as a tax deductible donation.
