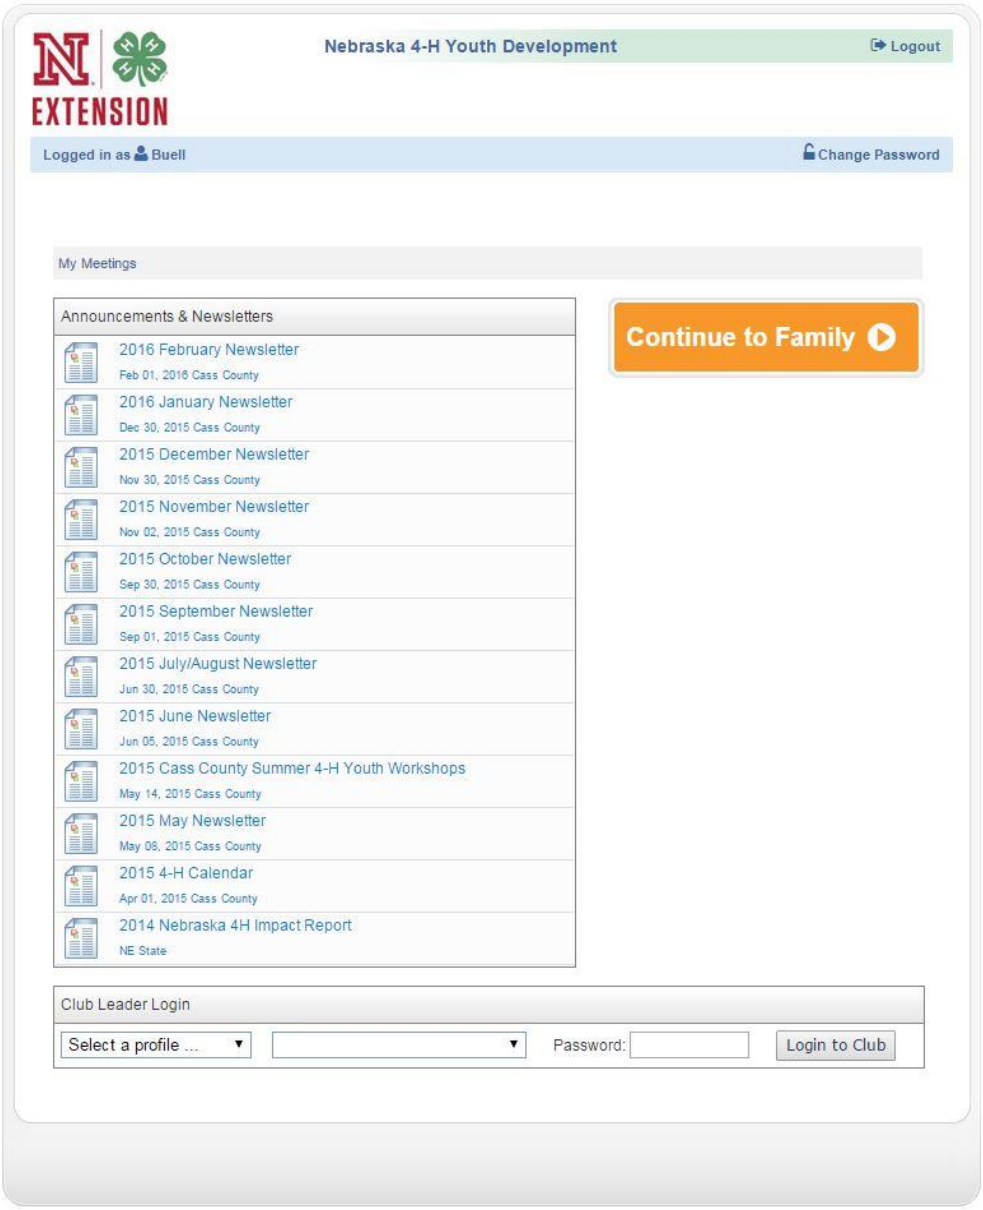
Club Access for 4-H Leaders

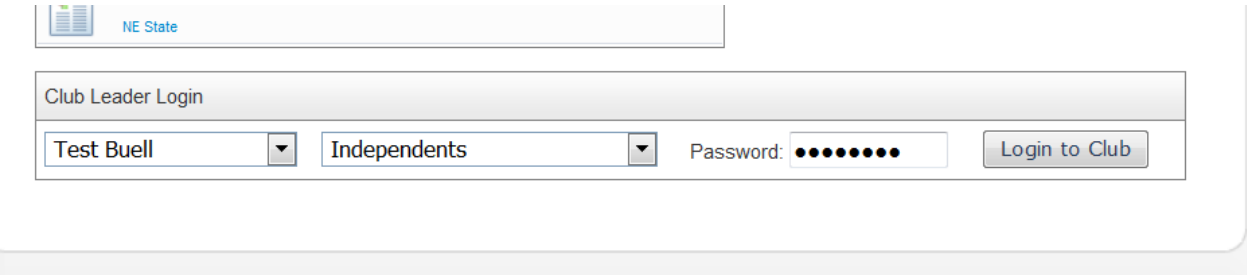
Leaders must be 'active' in the 4-H online system to be able to access their club.

Follow the steps below to view your member's information

1. Open your 4-H online account. You will see the following screen.

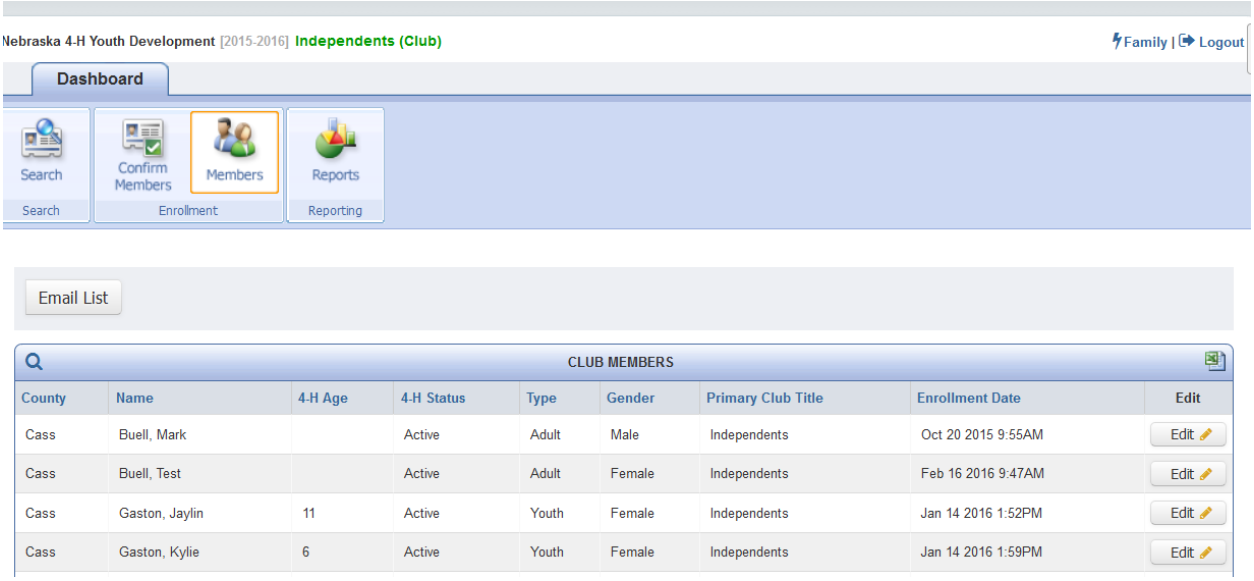


2. Scroll to the bottom of the page. Find your name under select a profile. Your club name will appear in the next box. Type in the club's password (the extension office will have the password for you).

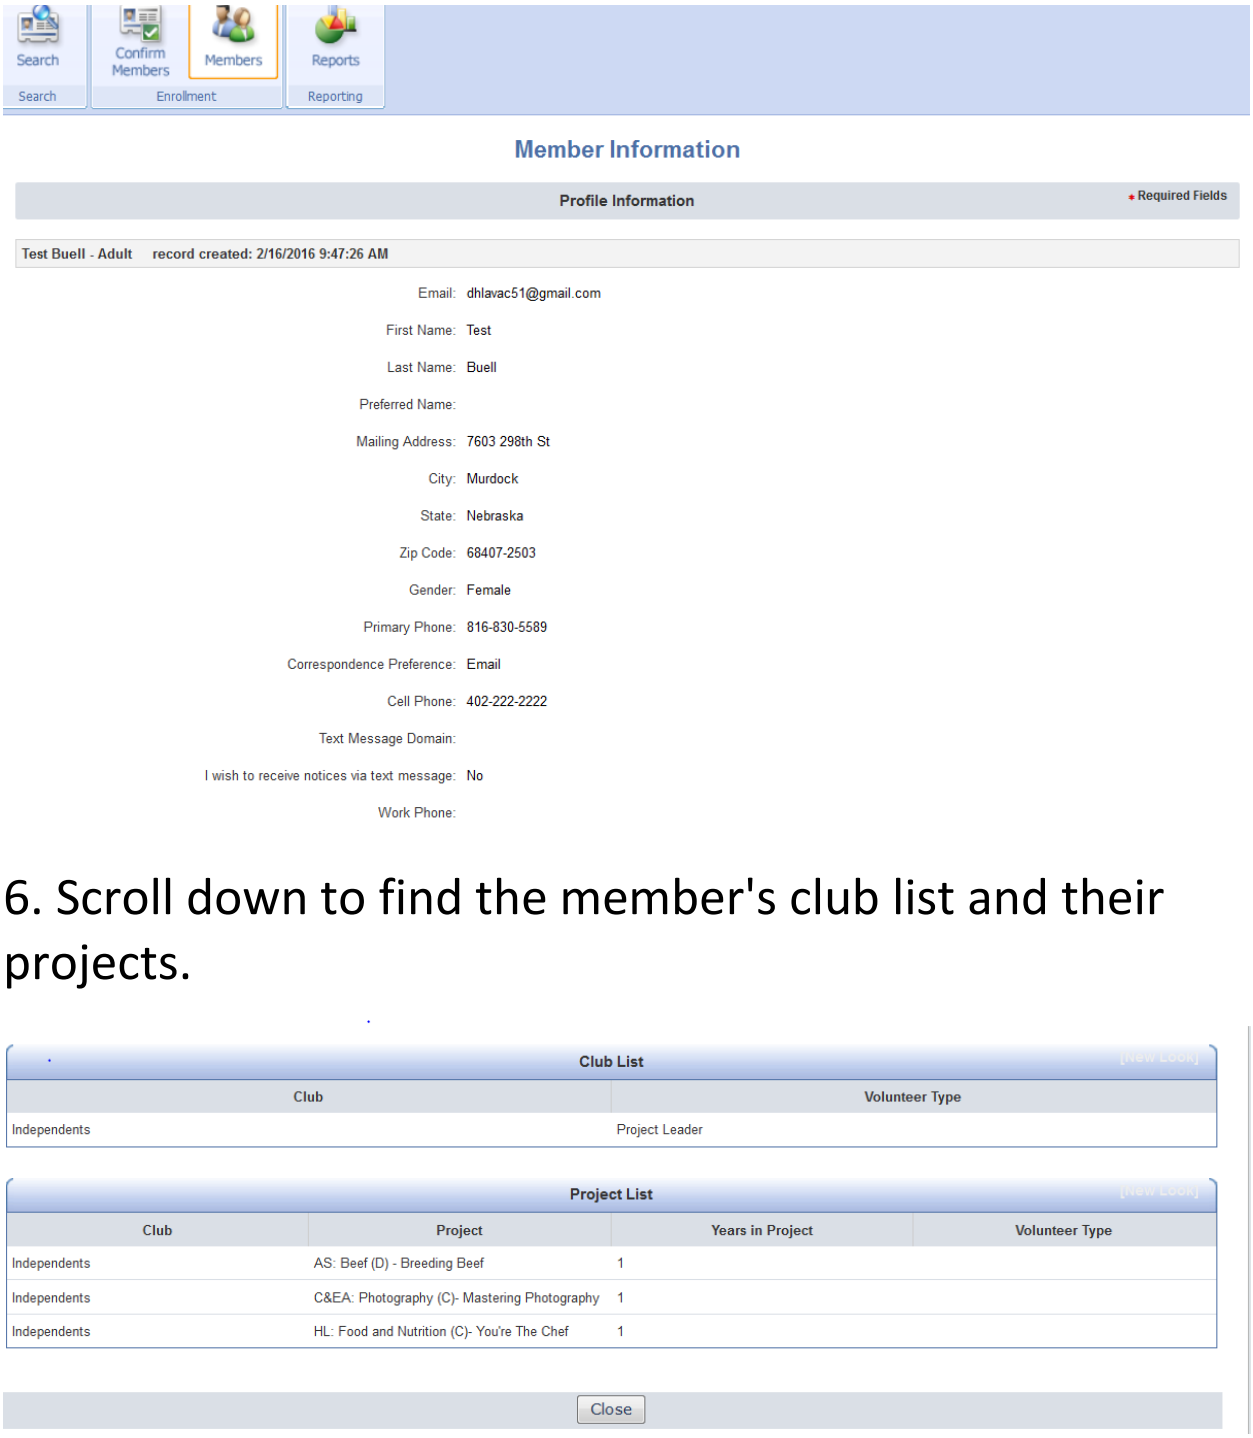


3. Click the Login to Club button.

4. Confirm Members shows the 4-Hers who have completed their enrollment but have not yet been approved.



5. The Members button shows all the 4-H members enrolled and approved for the current year. Click the Edit button to view that 4-Hers information.



6. Scroll down to find the member's club list and their projects.
