## "Nebraska 4-H Club of Excellence" Summary and 4-H Activity Form (Due October 01, 2022)

The overall goal of 4-H clubs is to develop enthusiastic young people who boldly take action to demonstrate life skills as capable, caring, confident, competent kids of character thus contributing to the improvement of themselves, their family, their club, their community, and their world. One way clubs might choose to measure their success in meeting that goal is their ability to gain status as a 4-H Charter Club. To receive the designation as a 4-H Charter Club in Nebraska, clubs must meet the following:

- Have at least five members from at least two different families
- Recite the 4-H Pledge at meetings
- Meet at least six times per year
- Choose/elect youth officers
- Give youth leadership roles
- Have one club project (related to curriculum) which they do together
- Have adult role models/ (parental) involvement
- Are facilitated by a volunteer/organizational leader who has successfully completed the Volunteer Profile
- Have members who perform a presentation or public speaking at the club level or above
- Complete one community service project
- Have members who participate in county, district or state event(s)
- Celebrate member and club achievements

If the Club meets all the requirements they will get a certificate and a seal the first year and an additional seal in subsequent qualifying years.
