

LOCAL ROBOTICS TEAM COMMUNITY PRESENTATION

TUESDAY, FEBRUARY 5

6:00 - 7:00pm

Louisville Senior/Community Center

Snacks provided!

Do you want to know more about...robots?...solving real-world problems?...space exploration?...FIRST LEGO League?

If your answer is YES, this night is for YOU!

Team Dream Dogs is a local robotics team with FIRST LEGO LEAGUE and we are excited to share our experiences with others.

The team will show how our robot performs several missions in “space.” We’ll present our scientific problem and solution for this year’s Challenge: identifying problems faced by humans exploring space for long periods of time. Questions from the audience are **welcomed and encouraged!** Snacks are provided.

Did you know?

- As parents, we love this program for the many life skills our students are learning
- In Nebraska, FLL is a division of 4-H
- There are 124 teams in Nebraska and 40,000+ teams worldwide in 98 countries!
- Our team members have competed and received awards at national and international levels and we hope to go far again this year!
