It's time for a little Cass County Club Challenge! April is "True Leaders in Service" month, and we want to challenge your club to plan a local service project.

Each club that participates will be eligible to win a prize pack of 4-H goodies, including one curriculum book of your leader's choice from Shop 4-H!

To be eligible, leaders must head over to <https://4-h.org/get-involved/true-leaders-in-service/> to register your event and look through the toolkit for helpful tips. Once you hold your service activity, send an email to Cass-county@unl.edu and include at least 3 pictures showing your group in action. Include a short 3-5 sentence paragraph about what you did and how it impacted your community.

All groups that complete the challenge and send the email by April 30th will be entered into a random drawing for the prize pack. The winner will be announced in the May 4th 4-H Friday News Blasts. We will also feature groups on our website and in upcoming News Blasts. Questions? Contact Tracy at tracy.ensor@unl.edu
