

## **Fleece Scarf**

Single layer (1/3 yard will make 1 scarf)

- **Rotary cut fleece 10" or 12" wide by 58"- 60" long**
- **Fringe each end by using rotary cutter (3" long and 1/2" – 5/8" apart)**

## **Fleece Mittens**

1/3 yard will make 3 – 4 pairs of mittens

- **Cut two tops and two bottoms from scraps or 1/3 yard of fleece for 1 pair of mittens**
- **Place 1 top and 1 bottom right sides together. Stitch around outer edge with a 3/8" seam.**
- **Clip at thumb area as shown on pattern**
- **Turn right side out**
