September 4, 2013

Dear Cass County 4-H,

Thank you for your generous donation to Southeast Nebraska Community Action Council, Inc. (SENCA). Your donation will make it possible for us to continue meeting the needs of children and families in southeast Nebraska. Annually, SENCA helps over 3,000 individuals through our various programs.

There are many in our community whose day to day lives are spent just trying to make ends meet. Whether it be an elderly woman, a young disabled man on a fixed income, a couple whose child's illness has exhausted their budget, a young mother abandoned by her husband working a minimum wage job, or a father laid off work and unable to find a job, many people are in need.

Your donation will help SENCA continue to provide food, prescription medication, school supplies, rent, utilities and elderly nutrition and transportation assistance. Without generous supporters like you, we could not make these services available.

Again, we thank you for your generous donation of blankets, school supplies, stuffed animals, hygiene products, and canned food as well as your ongoing support.

Sincerely,

Tristyn Block
SENCA Family Development Specialist
