Sessions will be broken into two groups: Advanced Sewing and Beginning Sewing. You may bring your own sewing machine. If you do not have a portable sewing machine please contact our office to reserve a machine to be provided from our office.

### Advanced Sewing Sessions

1:00-3:00 p.m.

Will create a mini seasonal quilt using block kits donated by Lori Pietz family. Supplies provided. Bring a variety of thread if you have some.

### Beginning Sewing Sessions

4:00-5:30 p.m.

Learn the basics of sewing; sewing notions, how to thread and set up your machine, types of fabric, and straight line sewing. Youth will create some simple projects (sewing kit, needle book & pin cushion, and burrito pillowcase) to exhibit at the fair. An adult is required to attend with child.

*Cedar County 4-H thanks the family of Lori Peitz for the gift of all the wonderful sewing fabric, patterns, trim, etc. Lori's mom was an avid seamstress, and we are honored to be able to share her treasures with our 4-Hers!*

**Contact the Extension Office at 402-254-6821 by January 7 to reserve your spot for these great sewing opportunities!**
