Shooting Sports Goals & Objectives

- To enhance development of self-concept, character and personal growth through safe, educational and socially acceptable involvement in a shooting related activity.
- To encourage participation in natural resources and related natural science programs by exposing participants to the content through a shooting activity.
- To teach safe and responsible use of firearms and archery equipment including sound decision-making, self-discipline and concentration.
- To promote the highest standards of safety, sportsmanship and ethical behavior.
- To expose participants to the broad array of vocational and lifelong avocational activities related to shooting sports.
- To strengthen families through participation in lifelong recreational activities.
- To complement and enhance the impact of existing safety, shooting and hunter education programs using experiential educational methods and progressive development of skills and abilities.
