

It's coming down to the wire. With only 10 days until Pre-Fair Day and 17 days until static entry day, it's understandable that there might be some last-minute questions or needs for assistance to finish an exhibit. Whether you need help with photography data tags or completing a workshop item, we are here to help your Cedar County 4-H experience be smooth and rewarding.

Our office has dedicated Tuesday, July 2nd to assisting you with any questions or help you may need with any projects. Following that, our office will be fully engaged in Fair prep.
