## **Interview Judging Exemption Cedar County**

If you are unable to attend the Cedar County 4-H Pre-Fair Day in Hartington on Saturday, June 27, you may submit your clothing projects for construction judging without an effect on the ribbon placing by submitting the following information.

**You must submit to the Extension Office (we will forward it on to the 4-H Council), in writing by 4:30 p.m., Friday, June 19, your reason for not attending Pre-Fair Day and participating in the judging process.**

In addition, you must answer the following questions to aid the judge in evaluating your project. (In the interview process, the information that you share aids the judge in making an informed decision - please keep this in mind as you answer the questions.)

- 1. How much sewing experience did you have before you started this project?**
- 2. What did you do for the first time in making this project?**
- 3. If you were to make this project again, what would you do differently?**
- 4. Where do you plan to wear/use this project?**
