NARRATION

Write a description of your garment to be read while you model. Begin by giving your first and last name. You may want to include your age or grade in school and number of years in 4-H. You can mention where you plan to wear the garment, why you chose the pattern or fabric, or accessories used. Your pattern envelope gives helpful information in describing your outfit. Limit narration to 2-5 sentences; do not write on back side. Please write this in such a way that it sounds correct when read by the narrator. (For example, rather than phrases such as "I will" or "I am," refer to yourself as "she" or "he" or use your name.)
