- 1.) **I give my permission for the child listed on the reverse to attend the Progressive Agriculture Safety Day®.** I understand that one of the purposes of the Progressive Agriculture Safety Day® is to teach participants to stay safe on farms, ranches and at home with a variety of age-appropriate lessons. During Safety Day, safety barriers will be in place, safety rules will be enforced, and participants will be closely supervised by Safety Day instructors and group leaders. However, I acknowledge that there is the possibility of accidents. I release the coordinators, instructors, volunteers, sponsors, the Central Nebraska Farm Safety 4 Just Kids Chapter, the Progressive Agriculture Foundation, and the Progressive Agriculture Safety Day® program from all claims, in the event of injury to my child, unless the injury is the result of gross negligence or willful misconduct on the part of these parties.
- 2.) **First aid will be available at the safety day and medical and/or hospital care will be provided in case of serious illness or injury.** I understand that if serious illness or injury occurs the emergency contact(s) listed will be notified. If it is impossible to reach the emergency contact(s), I give permission for emergency treatment as recommended by the attending physician.
- 3.) **I give my permission for photographs, audio, and video to be taken of my child** while engaged in safety day activities and for these images to be used to promote safety in the media, social media, on our websites and in promotional materials.
- 4.) **I understand that my child might be asked to complete a written knowledge survey before and after the safety day** to help evaluate the effectiveness of the Progressive Agriculture Safety Day® program. Participation is voluntary, and my child may choose not to participate. I give permission for my child to participate in these evaluations.
