Saturday Aug. 10th @ 4:00 pm CT

Space is reserved at both Valentine

Locker & Husker Meats for the

week after Fair.

Supporting the Future

of Agriculture...

The 4-H and FFA Livestock Sale is the finale of a year's long work of raising and caring for livestock projects. Cherry County 4-H and FFA members bring their animals to the fair to be shown and then sold at the livestock sale. The exhibitors sell their animals as part of completing the market animal project.

Why are you important? The sale offers an opportunity to support and encourage the community's youth who have devoted their time and energy to raising a market animal. Your purchase will support a youth's efforts in establishing a small scale agribusiness operation. Not only do members learn business skills, they also learn many life skills such as responsibility and team work.

If you would like to purchase only 1/2 or 1/4 of an animal to split with your friends or family please designate a buyer to register and bid.

Questions?

Call Craig O'Kief at 402 - 376 - 4133

Premium Livestock Sale

Valentine Livestock Auction will determine the market price per pound, which will be multiplied by the animal weight. This results in the base price per head, which will be listed in the sale catalog for each animal. The auction of the animal will begin at this price. Any amount buyers bid over that amount will be considered "premium". The total of the base head price plus the premium amount bid is the amount the 4-H/FFA member receives.

The buyer has three options:

1. **Pay the full price** and take the animal home or have it sent to Valentine Locker or Husker Meats for processing. Additional processing and packaging fees are due to Valentine Locker or Husker Meats.
2. **Pay only the premium amount** bid over the base head price and Valentine Livestock Auction will buy the animal back at the base price.
3. **Donation (add on)**. Any amount can be added to a lot in person at the sale table or deliver to Cherry County Extension Office by 4 pm on Wednesday Aug 14, 2024.

Payment is due directly following the sale.

The 4-H members do not receive their livestock checks until ALL the buyers have paid for the livestock they have purchased.

Please make checks payable to: Valentine Livestock Auction 126 N. Government St. Valentine, NE 69201
