Committee Reports:

- Dog/Small Animal- if we get to do in person have something planned for July 14 or 16th. Christina will be doing a clinic day if allowed. Virtual dog/small animal put out by UNL they are going to utilize here.
- Livestock- Met 5/13/2020. Major concerns are the sanitation, social distancing, livestock sale. They voted to have a virtual livestock sale.
- FCS- babysitting group of about 18 was started and going good right before Covid-19. Wants to finish the class with in person training when that is able to happen again.
- Barn quilt clinic if we get to meet in person this summer.
- Horse- Everything keeps changing, no district meetings. No ride nights scheduled. On hold until we can move forward with in person.
- Shooting sports, this is a tough one with the safety factor. Would 1 or 2 nights of practice be enough safety especially for the new ones. Talk of possibly changing it to winter.
- SET- with the extra seed donated Michelle made up beginning garden kits and had a pick up in the yard at the office.
